

Supporting British sport

We are pleased to announce that we have become a major sponsor of British Sailing team Ben Saxton and Nicola Boniface. The team are Tokyo 2020 Olympic gold medal contenders in the mixed Nacra 17 class. Ben is the reigning Nacra 17 World Champion after winning the Worlds in August 2017. We hope our financial support will help give them the best possible chance over the next two years of intense training and competition to win gold for Britain.

Sailing is not one of the glamour events but this is something as a nation we are good at. In recent years, Britain has produced some of the world's top sailors. At Rio 2016, the British Sailing Team topped the medal chart with two golds and one silver so let's hope we can improve on that tally in Tokyo.

Ben and Nicola are just about to compete in the World Championships in Denmark, so if you follow sailing, keep an eye out for our logo on the side of their boat or keep up to date at the Championships website <https://www.aarhus2018.com/>. For everyone else, please see a recent picture of the team in action above and a link to their website <https://www.bensaxtonsailing.com/>.
